The Florida Department of Transportation (FDOT) is holding a public information opening house regarding planned widening of SR 415, from SR 46 in Seminole County to Acorn Lake Road in Volusia County. The widening project includes the reconstruction of SR 415 from two lanes to four lanes, a new bridge over the St. John's River, the addition of bike lanes, multi-use trail, sidewalks and drainage improvements. Construction of these improvements will begin in the summer of 2012.

FDOT invites you to attend a public information open house addressing this project. We are seeking the participation of interested citizens and business/property owners within, and near, the project limits. The open house is scheduled for Tuesday, March 6th, from 4:00 p.m. to 7:00 p.m. at the Deltona City Hall located at 2345 Providence Boulevard in Deltona. Information regarding the roadway design will be available at the meeting. FDOT personnel and consultants will also be available to discuss the improvements and answer any questions.

Your input is very important during this process. We encourage you to attend and learn more about the project. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA), or persons who require translation services (which can be provided free of charge) should contact: Colleen Jarrell at HNTB Corporation, 610 Crescent Executive Court, Suite 400, Lake Mary, FL 32746, Telephone 800-889-8237, ext. 3028, Fax 407-805-0227, E-mail [cjarrell@hntb.com](mailto:cjarrell@hntb.com).
