INTRODUCTION

Welcome!

This directory was developed to provide information about resources for people seeking information about health and social services in West Volusia. This directory includes information about employment, housing, schools, healthcare, counseling, and legal services through community partnerships, outreach, advocacy, and training with community partners.

The goal of the community meeting was to discuss how various governmental, non-profit, and other organizations both faith based and non-faith based, can come together in a collaborative effort to achieve a more streamlined avenue for citizens to access needed resources.

The information was obtained from various sources at the October 24, 2017 community meeting. Every effort has been made to ensure accuracy of the information provided. If you notice errors or misinformation, or would like to be included in the directory, please contact the City of Deltona at (386) 878-8100. Inclusion in this guide does not imply endorsement or approval of programs or services. We hope you find this directory of community resources in West Volusia helpful.

¡Bienvenido!

Este directorio fue desarrollado para proveer información sobre recursos para personas que buscan información sobre servicios de sociales, salud, educación y vivienda en West Volusia. Este directorio incluye información sobre empleo, vivienda, escuelas, atención médica, asesoría y servicios legales a través de alianzas comunitarias, divulgación, abogacía y capacitación con socios de la comunidad.

El objetivo de la reunión de la comunidad era debatir cómo varias organizaciones gubernamentales, sin fines de lucro y otras, tanto basadas en la fe como no basadas en la fe, pueden reunirse en un esfuerzo colaborativo para lograr una vía más racionalizada para que los ciudadanos tengan acceso a recursos para sus necesidades.

La información fue obtenida de varias fuentes en la reunión de la comunidad del 24 de octubre de 2017. Se ha hecho todo lo posible para asegurar la exactitud de la información proporcionada. Si nota errores o desinformación, o si desea ser incluido en el directorio, por favor comuníquese con la ciudad de Deltona al (386) 878-8100. La inclusión en esta guía no implica respaldo o aprobación de programas o servicios. Esperamos que encuentre este directorio de recursos comunitarios en West Volusia útil.
