Wes Crile courts to get major face lift

Aug. 2, 2012 – Deltona's most popular park is getting some much needed renovations this month. Construction on the basketball and tennis courts at Wes Crile Park will begin Aug. 10.

The project includes removal of the current surfaces down to the lime-rock base, repair and compacting of that base, installation of new surfaces, paint and striping, new basketball back boards and nets, new tennis nets and poles for the four half-court basketball courts and four regulation size tennis courts located within the park. Construction is estimated to take 8-10 weeks.

Wes Crile Park is located at 1537 Norbert Terrace and boasts the City's only indoor gymnasium and splash park. Other amenities at the park include indoor meeting spaces, pavilions and picnic spaces, an indoor racquetball court, an outdoor hand ball court, a rubberized walking trail and two multi-purpose fields. This park is named after Volusia County's first Parks & Recreation Director who was instrumental in park development in the Deltona area prior to the City's incorporation.

For more information on Wes Crile Park or to reserve a meeting space, or pavilion for your event or gathering, call Deltona Parks & Recreation, (386) 878-8900.
