City of Deltona Welcomes New McDonald's with a Ground-Breaking Ceremony

January 3 2013— On Wednesday, January 9th, 2013 the City of Deltona will mark its newest McDonald's restaurant with a joint ground-breaking ceremony. The ceremony will be held at 131 Howland Boulevard, which will be the location of this new McDonald's restaurant. The Deltona City Commission, representatives from McDonald's Restaurants, local Chambers of Commerce, and the Deltona Economic Development Advisory Board will turn dirt with gold shovels at 11:00am, noting the start of construction for this American icon. This eastside Deltona location will feature new exterior elevations and is planned to open later in 2013.

Family Matters LLC is the owner of this new restaurant, and it is the company's third location. The company purchased Deltona's first McDonald's, located at 2190 Howland Boulevard, in 2000. That location was redesigned and expanded in 2008. Family Matters LLC also owns the McDonald's in Orange City.
