## **City of Deltona Hosts Forum About Eastern Water Reclamation Facility**

**October 16th, 2013**— The City of Deltona, along with staff from Deltona Water and Baskerville-Donovan, will host an open forum to review details for the City's new Eastern Water Reclamation Facility project. The meeting will take place at 5:30pm, on Tuesday October 22<sup>nd</sup>, at the Deltona City Hall located at 2345 Providence Boulevard.

The City Commission approved a contract to build the \$24 million project on September 3<sup>rd</sup>. The reclamation facility is designed to support and service sewer flows for development on Deltona's east side, and provide additional treatment capacity throughout the City. The project is slated to be completed by June 2015.
