Panel at City's next Business Forum features both state, local elected officials

Oct. 30, 2013—On Nov. 14, the City of Deltona hosts its fourth Business Forum, designed to energize and strengthen local businesses and develop business strategies. The forum will feature a panel of important guests—State Representative David Santiago (Dist. 27-R), Volusia County Councilwoman Pat Northey (Dist.5) and Team Volusia Vice Chairman and 2014 Chairman-elect, John Wanamaker.

The forum will be from 8:30 to 11:30 a.m. in the Commission Chambers at Deltona City Hall, 2345 Providence Blvd. Business owners will learn what economic growth on the local level, at the county level and at the state level means for Deltona. The forum will include networking sessions, a panel discussion and a question and answer session for business owners to ask questions of the panel. Opportunities to learn about business resources will be available to business owners.
