American Heart Association CPR classes offered by Deltona Fire Department

Feb. 4, 2014— The Deltona Fire Department will offer American Heart Association, Basic Life Support for Healthcare Providers from 9 a.m. to 3 p.m., Feb. 15, at Deltona Fire Station 65, 2983 Howland Blvd., as well as a CPR (cardiopulmonary resuscitation) recertification class from 1-3 p.m., Feb. 15.

The full course is for healthcare professionals who need to know how to perform CPR and other lifesaving skills in a wide variety of in-hospital and out-of-hospital settings.

Cost for the Basic Life Support for Healthcare Providers is \$50 and will include a book, a mask and a 2-year certification card. The cost for the CPR recertification is \$35 and includes a card. Pre-registration is required for this training. For information, call the Deltona Fire Department, (386) 575-6907 or e-mail Josie Caine, jcaine@deltonfl.gov.
