Rescheduling of Public Hearings for Package Sewage Treatment Plant as Requested by Representative of Lake Sidney Shores

April 6, 2015—A representative for Mijax Deltona LLC, the owner of property known as Lake Sidney Shores, has requested the rescheduling of two public hearings to consider a conditional use application for a package sewage treatment plant. The Planning and Zoning Board hearing date is being changed from April 15, 2015 to May 20. The City Commission hearing date is being changed from May 4, 2015 to June 1. The meeting times and place have not changed. The Planning & Zoning Board hearing convenes at 7:00pm and the City Commission hearing convenes at 6:30pm.

The change was made in order to allow time for the applicant's representatives to arrange an informational meeting with property owners and residents who live in the vicinity of the Lake Sidney Shores to discuss the application.
