## **Public Can Pre-register to Speak at Deltona City Commission Meetings**

**June 18, 2015**—The City of Deltona is giving its residents a more efficient method to address the City Commission during Commission Meetings. The public can now sign up in advance to request to speak by visiting the City website, [www.deltonafl.gov](http://www.deltonafl.gov), and clicking the Request to Speak link on the homepage.

The form allows residents to fill out in advance the Public Request to Speak form, and then he or she will be on the list of people who wish to voice their concerns to the Commission. This new online function is an alternative process for residents to sign up to speak at the Commission Meetings and does not replace the current sign in sheets. The Request to Speak link is now active on the City website, and residents are encouraged to use the link for the next Commission Meeting on Monday July 6<sup>th</sup>. The deadline for submitting the form is promptly by 5:30pm the night of the Regular City Commission Meeting (1<sup>st</sup> & 3<sup>rd</sup> Monday of each month).
