

# NEW SIDEWALK INSTALLATION

## BEGINNING FEBRUARY 2024

	STREET	FROM	TO	SIDE OF ROAD
1.	ADLER DR	TRADEWINDS DR	GALAHAD DR	ODD
2.	TRADEWINDS DR	ADLER DR	FT. SMITH BLVD	ODD
3.	LIGHTFOOT ST	ADLER DR	FT. SMITH BLVD	ODD
4.	MONTEREY DR.	ADLER DR	E. NORMANDY BLVD	EVEN
5.	SAGAMORE DR	FORT SMITH BLVD	BRIMHALL CT	EVEN
6.	CURTISS DR	SAGAMORE DR	LEEWARD DR	ODD
7.	PRESTON AV.	FT. SMITH BLVD	CURTISS DR.	EVEN

The above list shows the proposed streets receiving sidewalks for fiscal year 2023/2024 along with side of the street the sidewalks will be installed on. \*\* Odd or Even is based on the home address # \*\*

All sidewalks will be 5' in width and placed within the City of Deltona Right of Way. Any existing sidewalks within the right of way will be utilized and tied into. A property boundary survey will be completed to identify the right of way that the work will commence within.

This list is in the order of construction with the 1<sup>st</sup> sidewalk to be installed on Adler Dr with a start date of 2/21/2024. Once this street nears completion, the residents of the next street will be notified.

Prior to new construction on the next street, the following sidewalk notification timeline will be followed & must be adhered to by the contractor performing the work:

- Door Hangers – **Minimum** of 3 weeks prior to construction
- Right of Way Survey – **Minimum** of 2 weeks prior to construction date noted on door hanger
- Marking of Proposed Excavation Area – **Minimum** of 1 week prior to construction noted on door hanger

It is the goal to complete all of the sidewalks on the list with the funding allotted by September 30<sup>th</sup>, 2024. If any additional work is needed in the right of way once the construction begins and causes the cost of the project to increase, the list may be shortened.

Sidewalk construction & installation will be performed by Whitehouse Contracting, LLC

If you have any questions or concerns, please reach out to the City of Deltona Public Works Department at: (386) 878-8950
