Help Us Prioritize Our Spending!

The City has **limited funding** available to address housing and community development needs. Please help us prioritize our spending for the next year.

First, rank the following seven overall community needs, with 1 being the highest priority need and 7 being the lowest priority need.

COMMUNITY NEED

RANK 1 (highest need) through 7 (lowest need)

_____ Community Facilities (e.g., parks)

_____ Community Services (e.g., childcare, nutritional supplementation, senior programs)

_____ Economic Development (e.g., business assistance programs)

_____ Homeless Facilities and Services (e.g., shelters)

_____ Housing (e.g., affordable housing, repairs, homeownership)

_____ Public Improvements (e.g., streets, lighting, water, sewer)

_____ Homeless Prevention Services (e.g., emergency financial assistance to pay housing expenses)

Next, rank the needs in your neighborhood that warrant public funds. Remember, we have limited funding. Check “H” for High Priority, “M” for Medium Priority, “L” for Low Priority, or “N” for No Need.
